

Best Western Premier Waterfront Hotel & Convention Center
October 17-19, 2018 | Oshkosh, WI

University Books & More is pleased to be hosting the **2018 WACS Fall Meeting**. The meeting will be held at the Best Western Premier Waterfront Hotel and Convention Center. This beautiful venue is set on the banks of the Fox River in downtown Oshkosh.

We have worked hard to put together a meeting that offers a wide variety of industry relevant information. Sessions will range from “Inclusive Excellence in the Workplace” lead by one of our campus experts, to a student forum where we can hear what our customers really have to say.

Industry experts Tony Ellis, Vice President, Association Services, NACS and Mark Palmore, Managing Director Campus Advisory Services, a division of Nebraska Book Company will be collaborating and offering consecutive sessions dealing with “Industry Trends and their Impact on our Campus Stores” and “How our Campus Stores can win by the Numbers”.

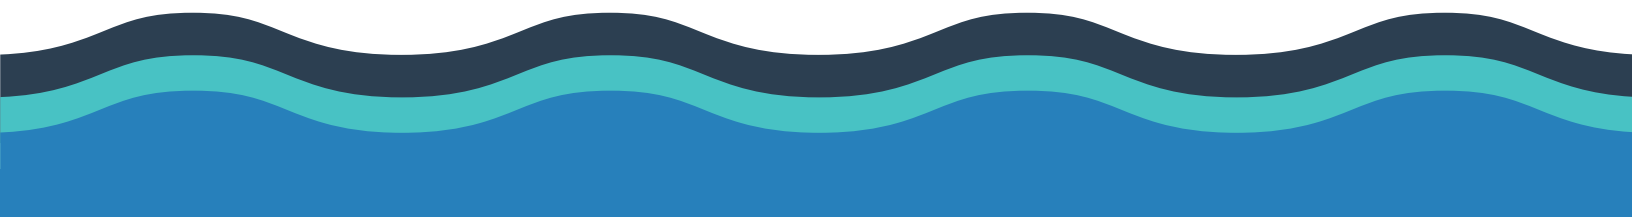

Want to hear about the top hot trends in the marketplace? ICBA’s Paula Haerr will share her insights into some of the leading product trends as heard from buyers from around the country. *You can also get into the act by bringing your best-selling products to show off to other attendees. **Share the success!** Whatever’s hot in your store, bring it along for this fun and interactive session.*

Our keynote speaker, Dr. Verna Price from *The Power of People Consulting Group*, will focus on how change affects us in our everyday work life.

In addition to these incredible educational opportunities, two favorite activities are planned again this year: the **White Elephant Gift Exchange** on Wednesday evening & **WACS Cash** with auction on Thursday evening!

While there is no pressure to participate in the **White Elephant Gift Exchange**, it is certainly worth joining the fun. If you are interested, please bring a wrapped “gift” with you. There is no need to worry about the value of the “gift.” A leftover item from a rummage sale is perfectly acceptable. In fact, the crazier, the better!

WACS Cash can be earned by attending educational sessions and placing orders (store folks) or taking orders (vendor folks) on the tradeshow floor. After dinner on Thursday, you can use your WACS Cash to bid on a variety of donated items. *If you are able to donate an item for the auction, please indicate that on your registration form.*

Something new to participate in this year will be a **silent auction**. The auction will feature several local items and gift baskets. Bidding opens on Thursday at the registration table and will continue during the trade show. Winners will be announced at dinner on Thursday. Only cash or check can be accepted. Should the winning bidder need to leave the meeting prior to the end of the Trade Show, winners will be contacted to coordinate payment and delivery of the item. In recognition of their commitment to success, all proceeds will go toward the NACS Foundation Scholarship Fund.

An initial agenda is attached for your reference.

Hotel reservations can be made by calling the Best Western at 920-230-1900. Reservations booked under the room block **W.A.C.S. by Friday, September 21st** are guaranteed the \$82 state rate. They have been very generous allowing us this length of time. Please be respectful of that deadline.

Get your Registration forms in early. The deadline for registration is **Friday, September 28th**. Rates will increase after that date.

Please submit your check with the registration form. Make sure that all checks are written out to **WACS or Wisconsin Association of College Stores** and sent to the address below. Checks received with another payable name make it difficult for us to deposit.

If your school or company will be submitting your registration, please **MAKE SURE** they don't **send** it to any address other than **the one listed below**. Many times, accounting departments have the address of the last show or the address where the dues were sent. It helps immensely if these get submitted directly to us. It adds time and juggling to the registration process when they are sent to the incorrect location.
